

**Estimated towing capacity quick reference chart:**

The towing capacities provided in this chart are intended for general reference only. Actual towing capacity may vary based on vehicle configuration, equipment, and usage. It is the sole responsibility of the driver to verify the specific towing capacity of their vehicle by consulting the owner's manual or contacting their local dealership. Merhow Trailers accepts no liability for the accuracy or use of this information. Always follow manufacturer guidelines and safety recommendations when towing.

Year	Make	Model	Max Towing Capacity (lbs)
2015	Chevy	Silverado 1500	12,000
